Company Commitment

AQS is a company driven to add value to our products offering. We achieve this value added mission by providing essential pre-sales consultancy services and post sales implementation and maintenance support services.

Mission Statement

Providing an effective and informed use of technology to enhance customers efficiency

AQ Solutions (M) Sdn Bhd (AQS) formerly known as AQ Color (M) Sdn Bhd is established on October 2000 with its office based in Kuala Lumpur, Malaysia. Our management has over 19 years of experience in the IT industry.

AQS was formed with the goals of bringing the latest cost effective IT Solutions to meet clients' future demand of business solutions.

AQS was founded by a group of IT Professionals with substantial experience in utilizing IT Resources. We are able to provide the idest possible range of IT services, which include consulting; enterprise solutions; application and infrastructure management; and data processing, together with systems development, implementation, integration and management.

Our success is attributable largely to our heavy investment in securing the best people, and in ongoing research and development.

Our commitment is to produce the best possible business relationship through the creative use of information and communication technology. We have sealed long term relationships with our clients ranging from education institutions, manufacturing, construction, banking and finance institutions, insurance, transportation, hospitality, retail and other commercial sector.

By continuously updating ourselves on the latest IT technologies and products, we commit to provide to you innovative and up-to-date solutions and services.
